

SENSOR PRODUCTS  
THAT COMPLIMENT  
BOTH EQUIPMENT  
AND THE CONTROL  
PRODUCT THEY SERVE

# SENSOR PRODUCTS FROM A COMPANY WHO UNDERSTANDS THE NEEDS OF OEM EQUIPMENT AND CONTROLLER ALIKE

Ask About Our Custom Mechanical Design Service

## CMC PROVIDES THE COMPLETE, SINGLE SOURCE SOLUTION

Headquartered in Belgium where we carry out all research and development, hardware and software design and development engineering as well as extensive serial production, CMC is the supplier of choice for your sensor requirements.

## ADDING VALUE AT THE LOWEST POSSIBLE COST

Founded in 1985, CMC employs a team of dedicated, forward thinking, highly motivated

engineers, technical specialists and business professionals that deliver quality sensor products alongside a service that is simply unsurpassed.

We market a range of sensing products and also offer a custom mechanical design service to satisfy specific customer requirements.

Our global credentials are supported by additional production facilities in China as well as technical resource located in Belgium, China, France, Germany, Turkey, the UK and both East and West Coast USA.

A selection of PT100 temperate sensors

A variety of 4-20mA pressure sensors

Temperature probe and cable assembly

## STANDARD OR CUSTOM MECHANICAL DESIGN OPTIONS

### CHOOSE CMC

Our Monitorit products are specifically designed and manufactured to satisfy the needs of OEM equipment manufacturers as well as the needs of the control products CMC manufacture.

By single sourcing both from CMC, our customers access a range of sensor products at competitive prices, safe in the knowledge that the end - to - end needs of OEM equipment, sensor and the controller it serves are fully understood.

### CUSTOM MECHANICAL DESIGN

In addition to our range of sensor products, where consumption is greater than 500 units per annum we offer a custom mechanical design service.

### REALISING SIGNIFICANT SAVINGS

In addition to benefiting from CMC's competitive prices and technical service capability, single sourcing from CMC reduces our customers purchasing, transport and logistics costs.

### WITH MONITORIT...

- > Single sourcing from a name you can trust
- > Assured end - to - end needs of equipment, sensor and controller alike
- > Competitive pricing
- > Custom mechanical design service
